

Copyright Policy

It is the policy of the Hitchcock County School District to encourage teachers to be creative and innovative. Therefore, a school administrator may enter into a written agreement with a teacher allowing the teacher to own a copyright in a written work created by the teacher in his or her scope of employment. The administrator and teacher shall only enter into such an agreement if the written work was created apart from, and in addition to, what the district requires and if the district will not incur an expense to replace the work.
