

Enrollment in Kindergarten

Beginning with the 2013-14 school year, a child must reach the age of five on or before July 31st of the calendar year to be enrolled in kindergarten. The Hitchcock County School District will enroll a child who will reach the age of five between August 1st and October 15th of the year of enrollment if the parent or guardian requests such enrollment and provides an affidavit stating:

- (a) the child attended kindergarten in another jurisdiction in the current school year; or
- (b) the family anticipates relocating to another jurisdiction that would allow admission within the current year; or
- (c) the child has demonstrated through recognized assessment procedures approved by the board that he or she is capable of performing the work of kindergarten.

Each year, the district will have a Kindergarten Enrollment and Assessment Period. Parents or guardians whose child is a legal resident of the district wishing to enroll pursuant to this policy must complete all requirements for enrollment no later than the end of the Assessment Period. The date, time, and location of the Assessment Period will be made available annually.

Parents or guardians of students who become legal residents of the district after the Assessment Period, and thus were unable to participate in the Assessment Period, must contact the elementary principal about registering and/or scheduling a time for assessment.
