

Grades

The Hitchcock County School District will report student grades and/or academic progress to parents at least four times per year. The superintendent or his/her designee shall develop and implement student grading guidelines to be used by teachers. The objective of grading guidelines shall be to quantify and report the academic achievement of each student.

A student's academic grade shall not be reduced because of disciplinary reasons. This policy shall not apply when a student's grade is reduced because of work the student missed because of an unexcused absence, during a suspension or dismissal period.
